

CHÂTEAU
GRANGE COCHARD
— VILLIÉ-MORGON —

Welcome to Château Grange Cochard, a 9.5 hectare wine estate in the Morgon appellation.

We are a family estate close to the terroir and respectful of the environment. The château is located in the heart of the Beaujolais, a region classified as a UNESCO World Heritage Site, offering natural landscapes between mountains, forests and vineyards. With several reception areas, Château Grange Cochard makes it possible to organise company seminars and professional events such as team building or study days.

We invite you to a total immersion in the world of wine, an experience of sharing and conviviality. Our sommelier Pablo will be at your disposal to help you discover the Morgon wines that have made the reputation of our region. In order to share with you our love for wine and our history, we propose you a visit of the cellars with a tasting of the estate's wines accompanied by local charcuterie and cheese.

Our venue is fully equipped to organise your tailor-made events. On the property, there is a terrace with a covered bar, a wooded park, a garden with a pétanque court and a swimming pool, and a private outdoor car park with 40 spaces.

The château's orangery has all the equipment you need for a meeting: furniture, internet access, video projector, interactive screen.

We can offer you the services of our catering partners (buffet, table service, cocktail) and entertainers.

45 km from Lyon · 10 min from Belleville · 50 min from Lyon Saint-Exupéry Airport
