# Your wedding between the vines of the Beaujolais

Imagine yourself surrounded by the vineyards of Beaujolais, lulled by the gentle mountain breeze, and enveloped in the romantic atmosphere of the French countryside. At Château Grange Cochard, your wedding will be much more than just a celebration. It's a unique experience, a moment where happiness blends with the beauty of nature, where laughter and emotion intertwine, creating precious memories to last a lifetime.

You are looking for a special place to celebrate your wedding. We suggest you an authentic venue and would like to welcome you to Château Grange Cochard, a 9.5 hectare wine estate in the Morgon appellation. We are a family estate close to the terroir and respectful of the environment.

The château, built in 1759, is located in the heart of the Beaujolais region, a UNESCO World Heritage Site, with its sumptuous natural scenery of mountains, forests and vineyards. This exceptional setting is the ideal place to organise tailor-made ceremonies in the heart of nature, whatever the season.

**You will find us 45 km from Lyon, 10 min from Belleville and 50 min from Saint-Exupéry Airport.**

All rooms have been recently renovated and tastefully decorated to retain their authentic character. They are equipped with double beds and quality sheets made by craftsmen.

Our private lounge is the perfect place to relax on the eve of your big day. Choose to play board games, sip wine with your guests or relax on a sofa listening to background music. Some of our couples also use this room to get ready with their hairdressers and make-up artists.

The lounge is accessible to people with reduced mobility.

## Dining room

For your family meals, our dining room offers a home-from-home environment. If you want to organise a dinner the day before your reception or a brunch the day after, we can offer you the services of our catering partners (buffet, cocktail, brazier).

This room is accessible to people with reduced mobility.
